

RANDOM COLLECTION OF TOP, HIGGS AND DECAL STUDIES

A. Winter

*Thesis submitted for the degree of
Doctor of Philosophy*

Particle Physics Group,
School of Physics and Astronomy,
University of Birmingham.

July 3, 2017

ABSTRACT

X was measured, we showed that $Y \neq Z$ and that $M_{\text{H}} = 126 \text{ GeV}/c^2$.

DECLARATION OF AUTHORS CONTRIBUTION

I did this, and that, and some of the other.

ACKNOWLEDGEMENTS

I would like to thank bla, and bla ...
